A Continual Strain.

Many men and women are constantly
subjected to what they commonly term
"a continual strain" because of some
financial or family trouble. It wears and
distresses them both mentally and physi-
cally, affecting their nerves badly and
bringing on liver and kidney ailments,
with the attendant evils of constipation,
loss of appetite, sleeplessness, low vitality
and despondency. They cannot, as a
rule, get rid of this "continual strain,"
but they can remedy its health-destroy-
ing effects by taking frequent doses of
Green's August Flower. It tones up the
liver, stimulates the kidneys, insures
healthy bodily functions, gives vim and
spirit to one's whole being, and eventu-
ally dispels the physical or mental dis-
tress caused by that "continual strain."
Trial bottle of August Flower, 25c; regu-
lar size, 75c. At all druggists.—W. T.
Brooks.

Healthy Mothers.

Mothers should always keep in good
bodily health. They owe it to their
children. Yet it is no unusual sight to
see a mother, with babe in arms, cough-
ing violently and exhibiting all the symp-
toms of a consumptive tendency. And
why should this dangerous condition ex-
ist, dangerous alike to mother and child,
when Dr. Boesch's German Syrup
would put a stop to it at once? No
mother should be without this old and
tried remedy in the house—for its time-
ly use will promptly cure any lung,
throat or bronchial trouble in herself or
her children. The worst cough or cold
can be speedily cured by German Syrup;
so can hoarseness and congestion of the
bronchial tubes. It makes expectora-
tion easy, and gives instant relief and
refreshing rest to the cough-racked con-
sumptive. New trial bottles, 25c; large
size 75c. At all druggists.—W. T.
Brooks.

FOR JUDGE OF COURT OF APPEALS.

TO THE VOTERS OF THE FIFTH AP-
PELLATE COURT OF KENTUCKY:—I am a
candidate for Judge of the Court of Ap-
peals from this District, subject to the
action of the Democratic party. As
Circuit Judge, it became my duty to try a
number of criminal cases, which have be-
come a part of the State's history and at
a most critical time. As Judge of the
State Fiscal Court, it fell to my lot to
construe the Statutes adopted, to put in
force the provisions of the new Constitu-
tion, as well as to construe the present
Constitution whenever a con-
troversy arose as to its proper construc-
tion. Almost innumerable cases have
burdened the dockets of my court, touch-
ing the rights of corporations and the ex-
ercise of franchise under law. How well
I have discharged my duties under such
trying circumstances, is left to you to de-
termine.

I will be very grateful to all who feel
they can assist me to secure the high po-
sition and office to which I aspire.

Very respectfully,
JAMES E. CANTRILL.

FOR CONGRESS.

We are authorized to announce W. P.
Kimball, of Fayette county, as a can-
didate for the Democratic nomination for
Congress from Seventh District, subject
to the action of the district convention to
be held in the city of Lexington on
Thursday, May 12, 1904.

I am a candidate for re-election to
Congress from this District, subject to
the action of the Democratic party. I be-
lieve in getting as close to the people
as possible, and it was my desire that
a primary election be held to select a
Democratic nominee for Congress, so that
every Democrat could have the privilege
of going to his precinct voting place
and expressing his choice, but my
opponents desired mass conventions at
the county seat, and the committee so
ordered.

I am now serving my second term as
your Representative. I have endeav-
ored, to the best of my ability, honestly,
faithfully and conscientiously to do my
duty. It is my highest ambition to se-
cure legislation for the relief of the
farmers, who have been so grossly im-
posed upon by unjust laws, and I feel
that my experience has fitted me to ren-
der valuable service on this line, if I am
permitted to continue to represent my
District.

My official duties in Washington will
prevent me from making an active per-
sonal campaign in all the counties of the
district, therefore, I will have to rely on
my friends to take care of my interest,
which I have an abiding faith they will
do. Trusting my service as a member
of Congress meets with your approval,
and hoping my candidacy will receive
your valuable aid and support, I am
Very respectfully yours,
SOUTH TRIMBLE.

THE NAVAL SITUATION.

Loss of Japs' Warships Gives
Russia an Advantage.

The Port Arthur Channel Is Free—
Rr. Adm. Wittsoeff Can Now Make
Frequent Trips to the Sea
With His Vessels.

Washington, May 20.—Advices re-
ceived at the Japanese legation from
Tokio confirming the press account of
the sinking of the cruiser Yoshino and
the battleship Hatsuse, state that after
the Hatsuse had been struck by
Russian mechanical mines a Russian
fleet appeared but were repulsed by the
Japanese cruisers, which saved 300 of
the Hatsuse's crew, including Adm.
Mashiba and Capt. Nakao.

London, May 20.—The Standard's
correspondent at Tien-Tsin cables that
while the Japanese fleet was covering
the landing of troops near Kai Chau
on Monday, a fierce engagement oc-
curred at Hien Yen Cheng. Two thou-
sand Russians were killed or wounded.

St. Petersburg, May 21.—So changed
is the naval situation at Port Arthur
by the Japanese disasters, naval offi-
cers say, that the officials would not
be surprised should Rr. Adm. Witt-
soeff, as soon as his "lame ducks" are
repaired, make frequent trips to sea,
as the late Vice Adm. Makaroff did, in
order to harass the enemy's opera-
tions along the western coast of the
Liao Tung peninsula. They assert
that the latest advices show the chan-
nel to Port Arthur is free, despite the
Japanese claim to the contrary.

Second thoughts have caused the ad-
miralty officials to discredit the report
that the Japanese battleships Shiki-
shima and Fuji have also been destroy-
ed. It is believed that the Russian
refugees from Port Dalny who circu-
lated the report on arrival at Che Foo
Thursday, probably confounded the
Shikishima and Fuji with the Hatsuse
and Yoshino. But the official advices
do show that the Kasaga, which ram-
med the Yoshino, was damaged; and
the opinion prevails that she must be
seriously injured, necessitating her
withdrawal from the fleet for a time.

London, May 23.—The correspond-
ent of the Times, on board that paper's
steamer Haimun, which is still ex-
cluded from the real theater of war,
gives a review of the present position
of affairs and says:

"Reserves from Japan are being
brought to reinforce Gen. Kuroki's
lines of communication which are be-
ing harassed by Cossacks.

"Gen. Kuroki appears to be waiting
for the landing and co-operation of a
third army. It was while holding the
Miao Tao straits against torpedo at-
tacks from Port Arthur for the pas-
sage of transports with the third army
that the Hatsuse met with disaster.

"Realizing that they were effectually
isolated, the Port Arthur Russians
made their desperation an excuse for
sowing the whole gulf of Pe Chi Li
with floating blockade mines."

"It is reported that they sent
launches and junks to drop mines in
the paths of the Japanese warships
and transports. The mines drifted to
the high seas and to Chinese waters,
constituting the gravest danger to neu-
tral shipping.

"Sunday the Haimun passed two
floating mines within six miles of Wei
Hai Wei. Even as the act of a desper-
ate garrison this must be in violation
of the law of nations."

Fusan, Korea, May 23.—From Chi-
nese sources it is rumored that 2,000
Russians have reoccupied Hsin Yen.
Cossacks have been seen near Kaoli-
man and 13 miles west, none have
been observed on the main road to
Lao Cheng.

The Russians are scouting on all
sides, but are disinclined to fight un-
less they are in far superior numbers.
The recent landing of the Japanese
forces at Takushan guarantees the Ja-
pan lines of communication.

London, May 23.—The Daily Tele-
graph Monday morning prints the fol-
lowing dispatch, dated May 19, from
its correspondent at the Japanese
headquarters, which the dispatch does
not locate:

"There has been no change in the
position here for the past ten days.
Our advanced division is in touch with
the enemy near Mao-Tien Pass, where
the Liao Yang road traverses the de-
file. The Russian line extends from
Hai Cheng to the west of Mao-Tien
Pass."

Trout Have the Malaria.

Washington, May 23.—Trout are
subject to malaria, according to a re-
port just received here of an investi-
gation into the cause of an epidemic
among the fish of that genus in the
government fish hatchery, Cold Spring
Harbor, L. I.

Filipino Monks Expelled.

Caracas, May 23.—The government
has expelled from Maracaibo, 12 Span-
ish monks who came from the Philip-
pines. The action was taken on the
ground that the policy of the monks is
incompatible with the tendency of
modern society.

Took His Life By Shooting.

Newark, N. J., May 23.—After suf-
fering extreme depression for several
months because of heavy losses in
stocks, Charles D. Lyon, 46, son of D.
M. Lyon, who was the head of the Ly-
on Brewing Co., took his life by shoot-
ing.

Torpedo Boat Struck By a Shell.

Tokio, May 23.—During the recon-
noissance of Port Arthur made by
Adm. Togo on Friday of last week a
shell hit the torpedo boat destroyer
Akatsuki, killing one officer and 24
men.
